

CHC Unleash the Beast Sky Trial Rules

- A Trial Master, appointed by the CHC board, will be assigned to inspect quarry before launching and ensure all rules are followed.
- Participants can launch any legal, live, flying quarry (Pheasant, sparrow, pigeon, etc.).
- All quarry launched will be unhindered. No lines tied to legs. No pulling, trimming, or removal of feathers.
- Quarry can be launched from either a bird launcher, or launched from the hands of another falconer.
- Quarry will be launched at a minimum distance of 10 feet from the falconer.
- A maximum of two flushes of quarry will be permitted. The second flush will be at the discretion of the Trial Master.
- Quarry will be dispatched quickly and humanely after capture.
- Once quarry is launched, falconer has 15 minutes to finish the hunt.
- Only one other person allowed in the field with the falconer beyond the Trial Master.
- All spectators will remain in designated area.
